

Crystalbrite Alkaline Laundry Wash Booster

CRYSTAL BRITE

Boosts stain removal in a single wash.

Reduces the need to pre-soak heavily soiled items.

Works best on water and protein-based stains.

A concentrated, alkaline laundry liquid designed to work alongside the detergent to boost stain removal. Works best on water soluble and protein based stains such as urea, sweat, grass and egg, to help remove stains in a single wash. These improved stain removal properties reduces the need to pre-wash or soak items.

Designed to be used with an auto-dosing system. NOT suitable for use by hand washing.

Directions for use

For professional use only.

1. To be used alongside a detergent in the main wash stage at a dose between 6-10ml per kg dry weight laundry*.

*Speak to your Cleenol Engineer about a suitable laundry dosing programme.
