

Crystalbrite Bio Laundry Powder

CRYSTAL BRITE

Fragranced to leave clothes smelling clean and fresh.

Excellent stain removal even when washing at low temperatures.

Helps to keep colours looking bright and fresh.

10Kg | 0311018

A fragranced, biological laundry powder designed to remove most types of soiling. Can be used on it's own or in conjunction with other laundry additives for additional stain removal properties. Added enzymes help to boost stain removal even at low temperatures. Contains fragrance to remove malodours from fabrics and leave them smelling fresh after washing.

Phosphate-free formulation. Suitable for use as a pre wash or via hand washing.

Product Info

Colour: **White**

Fragrance: **Perfumed**

pH (1% Solution): **9.5 - 10**

Shelf Life: **24 Months**

Directions for use

For professional use only.

1. To be used in the main wash stage, manually dosed into the dispensing drawer. Dose rates are as follows (where 1g = 1ml if using a measuring scoop):

Water Hardness	Small Load (4-6Kg)	Large Load (10-12kg)
Soft Water	150g	375g
Medium Water	190g	450g
Hard Water	225g	525g
Very Hard Water	150g	600g
Pre-Wash	150g	450g

2. For hand washing, dissolve 50g/10L warm water. Ensure the powder dissolved completely before adding in washing.
