

Senses Green Apple Hand Wash

Description

A universal, high viscosity, pearlescent hand soap suitable for use with a wall-mounted soap dispenser. Leaves behind a crisp and fruity apple scent. A pH-balanced and effective formulation removes light to medium soiling. Rinses off easily. Contains added skin conditioning agents. Designed for frequent use.

Directions For Use

Apply one to two dispenser portions to wet hands and work in thoroughly, paying particular attention to finger nails and cuticles. Rinse and dry hands thoroughly with a paper hand towel or warm-air drier.

Avoid prolonged contact with hard surfaces especially stainless steel.

In cold weather, we recommend the use of Cleenol Reconditioning Universal Barrier Cream after washing. This keeps skin healthy and moisturised whilst preventing drying.

If you are allergic to any of its ingredients, do not use this product. If an allergic reaction occurs, discontinue use of this product immediately and seek medical advice.

Product Codes

072742X5, 077037

Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Ensure the cap is tightly fitted after use.

Keep out of reach of children.

Shelf Life

Shelf life 30 months, if stored as recommended.

Environmental

Do not allow large quantities of neat liquid to enter surface waterways as ecological damage may be caused.

This product uses recyclable packaging. Phosphate-free.
