

# PRODUCT USE GUIDE FOR SENSES INDUSTRIAL SOLVENT FREE HAND CLEANSER

## Product Description

A solvent-free hand cleansing paste developed for the effective removal of medium to heavy soilings such as lubricants, diesel, brake fluid, cement, rust etc. Especially suitable for use in the automotive, construction and metal industries etc.

## Product Features

- A safe, effective hand cleaner for use on all types of skin and is unlikely to cause any problems with dry hands or dermatitis.
- Will deal with a wide range of oils and greases, quickly and effectively.
- Melts rapidly under the influence of body heat and the liquid then easily penetrates the dirt and oils.

## Direction for Use

- Apply a small amount of product to the hands and work in thoroughly using a rubbing action to loosen all oil and dirt residues and rinse away in warm water.
- Ensure hands are dried thoroughly after use.
- Severe soiling by fibre-glass resins, or dirt under the nails, may require the use of a brush.

**IN COLD WEATHER WE RECOMMEND USE OF CLEENOL UNIVERSAL BARRIER CREAM AFTER WASHING. THIS KEEPS SKIN HEALTHY AND MOISTURIZED, AND PREVENTS DRYING.**

## Toxicological Information

- This product is formulated from cosmetic grade ingredients and is intended to be applied directly to the skin. If you are allergic to any of its ingredients, do not use this product. If any allergic reactions are suffered, discontinue use of this product immediately and seek medical advice.

## Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

## Shelf Life

- Shelf life 30 months, if stored as recommended.
- Refer to product label for further storage details

## Environmental

- Do not allow large quantities of neat product to enter surface waterways.
- None of the components of this product are animal derived.
