

Senses Jasmine Foam Hand Wash

Description

A clear blue foam soap with a rich and sweet jasmine scent. Designed for use in all front of house and public areas. More economical in use than an equivalent gel hand soap. Only suitable for use through foaming dispensers. Contains added skin conditioning agents.

Directions For Use

Apply one to two dispenser portions to wet hands and work in thoroughly, paying particular attention to finger nails and cuticles. Rinse and dry hands thoroughly with paper hand towel or warm-air drier.

In cold weather we recommend the use of Cleenol Reconditioning Universal Barrier Cream after washing. This keeps skin healthy and moisturized, and prevents drying.
