

## Osmos 2-in-1 Dishwasher Detergent

### Description

A revolutionary dishwasher detergent which combines both a powerful wash action, with a built in rinse-aid, in a single liquid. It is suitable for use in both soft and hard water areas.

So, in addition to powerful cleaning, de-greasing and tannin removal this detergent does not require additional rinse aid in the final rinse.

### Directions For Use

The product is designed for use only with the Cleenol Automatic Dosing System (ADS). Use rate is dependent upon water hardness and will be set by our engineers at approximately 2-4ml product per litre of rinse water.

Do not use for manual dishwashing.

CAUTION: Not suitable for aluminium items.

NOTE: When changing bottles please observe all PPE recommendations on SDS

### Product Codes

OSM-2in1-2X5

### Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Ensure the cap is tightly fitted after use.

Keep out of reach of children.

### Shelf Life

Shelf life 24 months, if stored as recommended.

Use within 6 months of opening.

### Environmental

Neat product will cause damage to plant and animal life.

Do not allow large quantities of neat liquid to enter surface waterways as serious ecological damage may be caused.

In the event of a large spillage, contact the local water authority or Environment Agency immediately.

This product is Phosphate and NTA-free

### Notes

Packaging is made from 30% recycled material.
