

## PRODUCT USE GUIDE FOR UNIVERSAL BARRIER CREAM

### Product Description

A smooth white odourless lotion which protects the skin against wet or dry contaminants. Protects in three ways, by providing a barrier against a wide range of harmful substances, by reducing the effects of abrasion and by re-fattening and nourishing the skin.

### Product Features

- Proven effectiveness in wet and dry conditions
- Pleasant, non-greasy feel
- Universal application
- Free from china clay and similar fillers
- Suitable for skin protection on any part of the body
- Easily absorbed
- Non-silicone
- Non-perfumed

### Direction for Use

Use 3 - 5 grams per application. On the hands, rub well into cuticles and the webs of fingers. Suitable for use on other areas of the body but broken areas and sore patches should be avoided and treated with specialist creams. Use daily or before and after work.

### Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

### Shelf Life

- Shelf life 30 months, if stored as recommended.
- Refer to product label for further storage details

### Environmental

- Do not allow large quantities of neat product to enter surface waterways.
- In the event of a large spillage, contact the local water authority or Environment Agency immediately.
- None of the components of this product are animal derived.
