

Osmos Aluminium-Safe Dishwasher Detergent

Description

A low-caustic, non-foaming liquid designed for use in automatic machine dishwashers. It contains a powerful blend of alkaline cleaning agents and scale-inhibitors. Suitable for the washing of crockery, cutlery and glasses and is safe for use on aluminium and silverware. Suitable for use with septic tanks. Can be used in all water conditions.

Directions For Use

The product is designed for use only with the Cleenol Automatic Dosing System (ADS). Use rate is dependent upon water hardness and will be set by our engineers at approximately 2 - 4 ml product per Litre of rinse water.

Do not use for hand-washing.

Product Codes

OSM-ASDD-2X5, OSM-ASDD-20

Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Ensure the cap is tightly fitted after use.

Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended.

Use within 6 months of opening.

Environmental

Neat product will cause damage to plant and animal life.

Do not allow large quantities of neat liquid to enter surface waterways as serious ecological damage may be caused.

In the event of a large spillage, contact the local water authority or Environment Agency immediately.

This product uses recyclable packaging.

It contains no NTA or EDTA.
