

Osmos Universal Glass & Dishwasher Rinse Aid

Description

To be used in conjunction with all Osmos dish and glasswash detergents through built in or external auto dosing equipment. Added to the final stage of the cycle, it ensures the rapid drying of crockery and glassware to a streak-free, sparkling finish and prevents spotting.

Directions For Use

Will be dosed into the washer by the automatic dosing system at the required operating temperature. Use rate is dependent upon water hardness and will be set by our engineers at approximately 0.6 - 1.5 ml product per litre of rinse water.

Product Codes

OSM-UGDRA-2X5

Storage

Store in cool conditions away from direct sources of heat.
Avoid extremes of temperature.
Do not allow to freeze.
Ensure the cap is tightly fitted after use.
Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended.
Use within 6 months of opening.

Environmental

Do not allow large quantities of neat liquid to enter surface waterways as serious ecological damage may be caused.
In the event of a large spillage, contact the local water authority or Environment Agency immediately.
This product uses recyclable packaging.

Notes

It does not contain NTA or EDTA.
